Keshab Chai

keshab.chai0@gmail.com ❖ github.com/ChaiKeshab ❖ (977) 9813667399 ❖ Dhumbarahi, KTM

SKILLS

Programming Languages
- JavaScript
- HTML
- CSS
- Sass

Libraries & Frameworks
- React
- Bootstrap

Tools & Platforms
- Git
- GitHub
- WordPress

PROJECTS

chaikeshab.netlify.app   **(github.com/ChaiKeshab/React)**

- *Created a personal website using **React**, demonstrating my proficiency in modern web development.*
- *Implemented **React Router** for seamless navigation and dynamic routing, enabling smooth transitions between different sections of the website.*
- *Incorporated a stylish **dark and light mode** feature to enhance user experience and accommodate user preferences.*
- *Developed a **color guessing game** where users identify the correct color from three choices against a colored background.*
- *Ensured **mobile responsiveness** to optimize the website's usability across various devices, offering a consistent experience for users on smartphones, tablets, and desktops.*

chai-news.netlify.app   **(github.com/ChaiKeshab/Chai-News)**

- *Created a personal website using **React**, demonstrating my proficiency in modern web development.*
- *Developing a **news application** utilizing the 'News Catcher' API to retrieve the latest news articles.*
- *Implemented **React Router** to enable seamless navigation and allow users to switch between different categories of news.*
- *Utilized **Axios** for making API calls and fetching data to dynamically display news content.*
- *Integrated a stylish **dark and light mode** feature to enhance user experience and cater to user preferences.*
- *Added a **search bar** for users to search for specific news topics or articles.*
- *Ensured **mobile responsiveness** to provide an optimal viewing experience across various devices.*

EDUCATION

St. Lawrence College   **(Running)**
BSc, Computer Science and Information Technology

Golden Gate College   **2019 AD**
+2 (Science)
